

REMARKS

This amendment is made to place the application in better condition for appeal.

In paragraph 9 on page 2 of the Office Action, the Examiner rejected claim 9 under 35 U.S.C. §112, second paragraph, as being indefinite. In paragraph 3, the Examiner noted that the recitation of "buffer member" lacked sufficient antecedent basis. The Examiner further stated that he would interpret the claim to read "parts holding member" and required correction. The Examiner's interpretation is correct, and this amendment makes the required correction. Withdrawal of the rejection under 35 U.S.C. §112, second paragraph, is respectfully requested.

A provisional petition is hereby made for any extension of time necessary for the continued pendency during the life of this application. Please charge any fees for such provisional petition and any deficiencies in fees and credit any overpayment of fees to Attorney's Deposit Account No. 50-2041.

Respectfully submitted,
